TRL- Title/Description Search

1. Sign into SLDS to access the dashboard and select the TRL button from the menu bar.

2. Locate the Title/Description box.

3. Type one or two words for a key word search and then click the search button or press [Enter].

4. The resources that meet the criteria for the search will appear below the Title/Description.

5. A variety of filters are available to further refine the search. They are located on the left side of the page.
