

Class Period Selection

Selecting A Single Class Period in SLDS

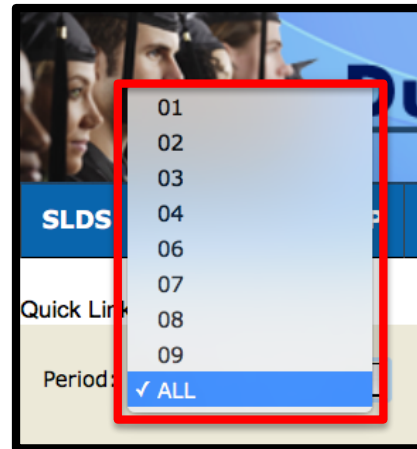

1. Sign into SLDS and scroll down to the **My Schedule** area of the teacher dashboard.

2. Click on the Period drop down arrow located just above the My Schedule area.

3. Select the desired **Class Period** from the drop down option.

4. Click the **View Report** button to apply the period filter.

5. The Teacher Dashboard will now reflect student data only for students in that class period.
