Georgia educators should obtain their school-unique, role-based FIP Online Learning Access Code from their supervisor. The access code is in the My GaDOE portal account of the district's Test Coordinator.

Follow the steps below to create an individual online learning account. Expect an email verification to confirm your FIP account before initial use.

The screenshot displays the Georgia FIP website interface. At the top, a breadcrumb trail reads: Home → Teaching and Learning → Assessment Research, Development and Administration → Georgia FIP: The Keys to Student Success. The main heading is "Georgia FIP: The Keys to Student Success". On the left, a sidebar lists "Formative Assessments & Resources" (DRC BEACON, Formative Instructional Practices (FIP), Georgia Kindergarten Inventory of Developing Skills 2.0 (GKIDS 2.0), GKIDS Readiness Check, Keenville, TestPad) and "Summative Assessments" (ACCESS for ELLs 2.0, Alternate ACCESS for ELLs, Georgia Alternate Assessment 2.0 (GAA 2.0)). The central graphic is a circular diagram with "Curriculum" at the top, "Instruction" at the bottom, "Assessment" on the left, and "Formative Instructional Practices" on the right. The center contains "College and Career Readiness" and "FIP". On the right, "Contact Info" lists Kelli Harris-Wright, Ed.S., Assessment Specialist, with phone (470) 579-6329 and email Kharris-wright@doe.k12.ga.us. Below, "FIP Resources" includes "Login to FIP Professional Learning" and "FIP Resources", with the first item circled in orange. An orange arrow points from the text "Click Here" to the circled link.
