2018

# Dual Enrollment

**Dual Enrollment** provides high school students with the opportunity to take college courses for both high school and college credit.

## Dual Enrollment Funding

**Eligible high school students** enrolling in a **participating college or university** and taking **approved college courses** for both high school and college credit are eligible for funding through Georgia's **Dual Enrollment Program**.

# Dual Enrollment Definitions

***'Eligible high school student'*** means a student entering 9th, 10th, 11th, or 12th grade at an eligible high school.

***'Eligible high school'*** means any private or public secondary educational institution located within Georgia and any home study program pursuant to Code Section 20-2-690.

***'Dual credit course'*** means a postsecondary course taken by an eligible high school student at or through an eligible postsecondary institution for which the student receives secondary credit from his or her eligible high school.

# Why Participate?

## BENEFITS

Students are introduced to college-level work

Possible early college graduation and entry into workforce

Expanded course offerings

Opportunities to explore potential careers

Increased academic confidence

## STUDIES SHOW INCREASED LIKELIHOOD OF:

General academic achievement in high school

Attendance

College readiness

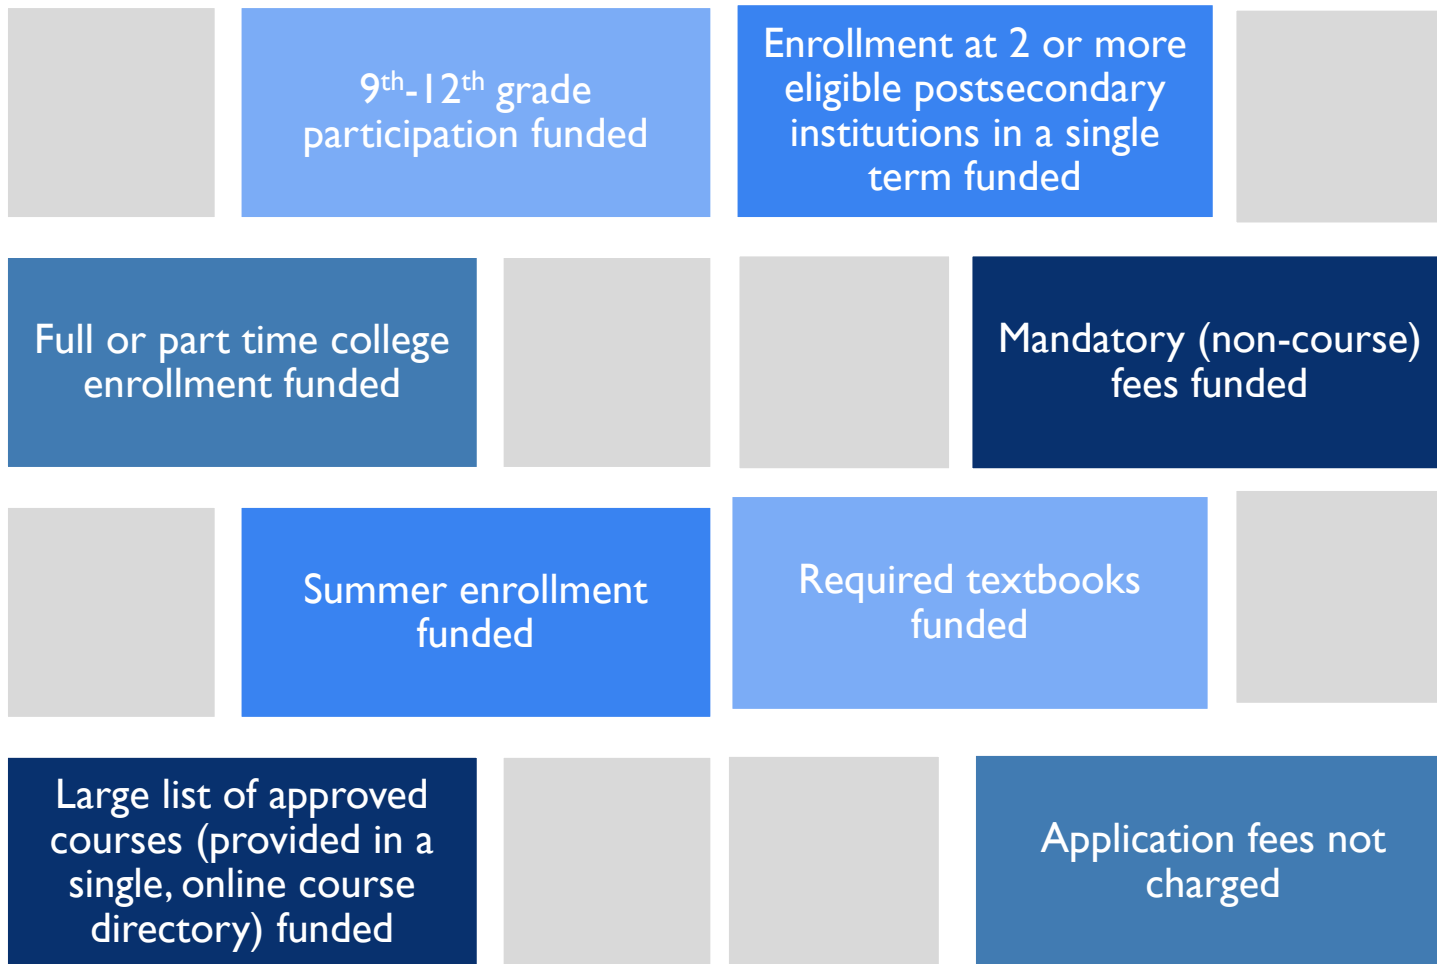

College access and enrollment

Credit accumulation

Degree attainment

# Program Overview

# Student Expenses

Students *may* have some expenses:

- Course-related fees and materials required for a particular course (lab fees, materials, supplies, etc.)
- Fees that are optional to the student (parking, meal plan, room and board, graduation fee, etc.)
- Orientation fee, unless orientation is required
- Charges or fines incurred due to actions taken by the student (parking tickets, library fines, etc.)
- Lost or damaged book charges (cost of book minus the book allowance or \$75, whichever is less)

# High School Postsecondary Graduation Opportunity

Students are awarded a high school diploma **and** college credential(s) after meeting all of the following:

1. Successful completion of the following state-required high school courses or their equivalent:
  - 2 English (9<sup>th</sup> Grade Lit. and Comp., American Lit. and Comp.)
  - 2 Math (Algebra 1, Geometry)
  - 2 Science (Biology, Physical Science or Physics)
  - 2 Social Studies (US History, Am. Gov./Economics)
  - 1 health and PE course (Health and Personal Fitness)
2. Completion of all required EOC exams
3. Completion of an Associate Degree, Technical Diploma or two Technical Certificates of Credit (TCC) in one specific career pathway that lead to industry certification or license.

# High School Postsecondary Graduation Opportunity

Along with the secondary requirements, completion of

- One Associate Degree Program or
- One Diploma Program or
- Two Technical Certificates of Credit (TCC) from the list below:

## **Computer Programmer - Either Combo -**

MCR1 MOWR C++ Programmer

AND

MCH1 MOWR C# Programmer

MOJ1 MOWR Java Programmer

AND

MPH1 MOWR PHP Programmer

## **Manufacturing Combo -**

MMM1 MOWR Manufacturing Maintenance Technician

AND

MMP1 MOWR Manufacturing Production Assistant

## **Welding - Any Two of the Following -**

MB31 MOWR Basic Shielded Arc Welder

MF61 MOWR Flux Cored Arc Welder

MGM1 MOWR Gas Metal Arc Welder

MGT1 MOWR Gas Tungsten Arc Welder

MGTI MOWR Gas Tungsten Arc Welder

MGE1 MOWR Gas Tungsten Arc Welding

MS71 MOWR Shielded Metal Arc Welding

## **Computer Information Systems - Any One from Columns A AND one from Column B -**

A MO21 MOWR Adv. CompTIA A+ Certified Tech Preparation

B MOH1 MOWR Help Desk Specialist

MC51 MOWR CompTIA A+ Certified Preparation

MO11 MOWR Microsoft Network Administrator

MPF1 MOWR Preparation for A+ Certificate

MO41 MOWR Cisco Certified Entry Network Tech

MO51 MOWR Cisco Network Specialist

MO61 MOWR Computer Forensic & Investigation Specialist

MO71 MOWR Database Administrator

MO31 MOWR Linux/UNIX System Administrator

MON1 MOWR Network Technician

# HOPE Grant for High School Postsecondary Graduation Opportunity (SB2)

## HOPE Grant

Based on section 304.9, Alternative Graduation Option, of the 2017-2018 (FY 2018) Program Regulations, students graduating high school through the SB2 Option and who chose to pursue an associate degree under SB 186, will be identified in SURFER. Eligibility for the HOPE Grant in a student's first 30 semester hours of pursuing an associate degree at a Technical College System of Georgia institution will be indicated on the Student Demographics screen with a "Yes" indicator. Additionally, field 38 of the GAD file will be populated with a "Y", indicating yes.

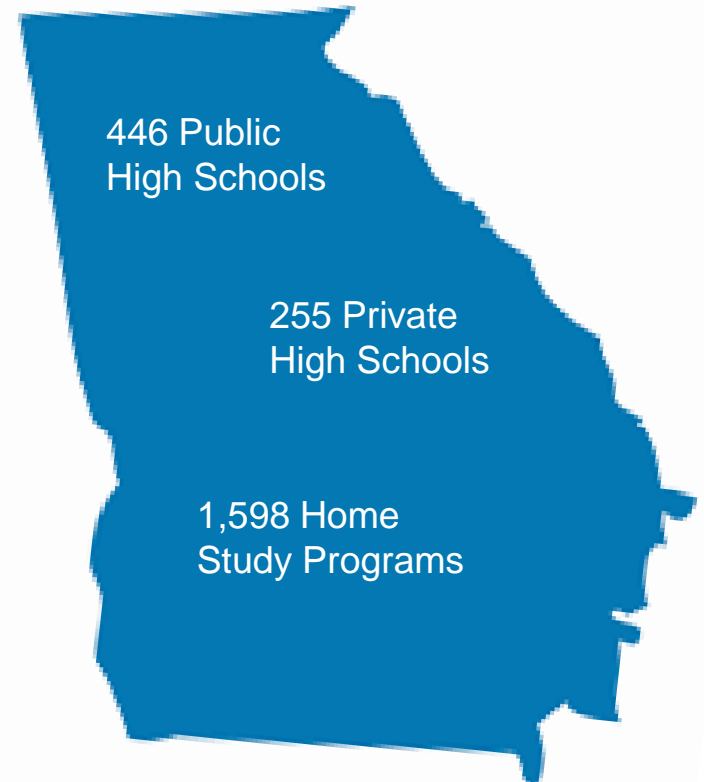

# High School Responsibilities

# Eligible Georgia High Schools & Home Study Programs

- Private and public high schools within the state of Georgia must execute a [Dual Enrollment Four-Year High School Participation Agreement](#) with GSFC.
- Home study programs operated pursuant to O.C.G.A. 20-2-690 must execute a [Dual Enrollment Annual Home Study Program Participation Agreement](#) with GSFC.

# School Counselor Responsibilities

- Provide general DE information by February 1 each year.
- Provide student advisement and complete/sign-off on the Student Participation Agreement Form.
- Complete the counselor's portion of the online funding application.
- Students and Parents should be made aware of the local school system policy regarding the withdrawal from DE courses and impact on the student's transcript.
- Record courses and grades on student's transcript for dual enrollment credits earned.
- Encourage students to be mindful of deadlines and graduation requirements.

# Things to Know

- Students must seek approval from their high school counselor before making changes to their college schedule.
- Participation may begin in fall of 9<sup>th</sup> grade year.
- A student's 12th grade year concludes at the end of the spring term after four years of the student's high school enrollment beginning in the 9th grade.
- Students may continue participation until they graduate high school even if their graduation requirements are satisfied early.
- Only degree level DE core courses can receive the .5 weight and meet the academic rigor course categories of the HOPE/Zell Scholarship.

# Things to Know

- Only full-time DE students are eligible to take PE at any USG institution. PE classes are not available to DE students at TCSG institutions. Students must check with private institutions for their policies.
- Algebra II is a prerequisite to take college level math through Dual Enrollment.
- High schools should be consistent with procedures, schedules, and expectations for DE students just as they are with non-DE students.
- Local systems earn and retain their FTE funding.

## **As of July 1, 2018**

- A student is eligible for the Dual Enrollment Program funding up to TOTAL of 15 semester or 12 quarter hours per term. Full-Time Enrollment is not a requirement.
  - \*Some colleges do not charge students tuition for any hours over 15 credit hours.

# DE Grading and Weights

- Grade Conversion - local system determines conversion scale for the college letter grade.
- Grade Weight - only degree level core courses receive a .5 weight, up to a maximum 4.0, and count as “academic rigor” courses for HOPE Scholarship.
- Class ranking - local systems determine class rank and cannot exclude DE students from eligibility for valedictorian and salutatorian except for students moving in after their sophomore year and not taking any courses on site at the high school.
- DE passing grade of “D” at the college is up to the local system whether to accept it as passing grade or not.

# GADOE EOC Exam Exemptions

GADOE Rule 160-3-1-.07 – Testing Programs – Student Assessment

[www.gadoe.org/External-Affairs-and-Policy/State-Board-of-Education/SBOE%20Rules/160-3-1-.07.pdf](http://www.gadoe.org/External-Affairs-and-Policy/State-Board-of-Education/SBOE%20Rules/160-3-1-.07.pdf)

<b>EOC exam required of all students</b>	<b>Dual Enrollment exempt*</b>
Ninth Grade Literature and Composition	American Literature/Composition
Algebra I or Coordinate Algebra	Physical Science
Geometry or Analytic Geometry	United States History
Biology	Economics/Business/Free Enterprise

\*Postsecondary grades earned in these courses are used in the state accountability system.

# GADOE and FTE Requirements

- Dual enrollment students must have a minimum of 4 college classes (with 12+ semester hours) to be considered full-time dual enrollment.
- Students who are not full-time dual enrollment must take enough classes between their high school and college to be considered full-time.
- The number of courses required depends on the high school schedule. For example:

6 period day = 6 classes

7 period day = 7 classes

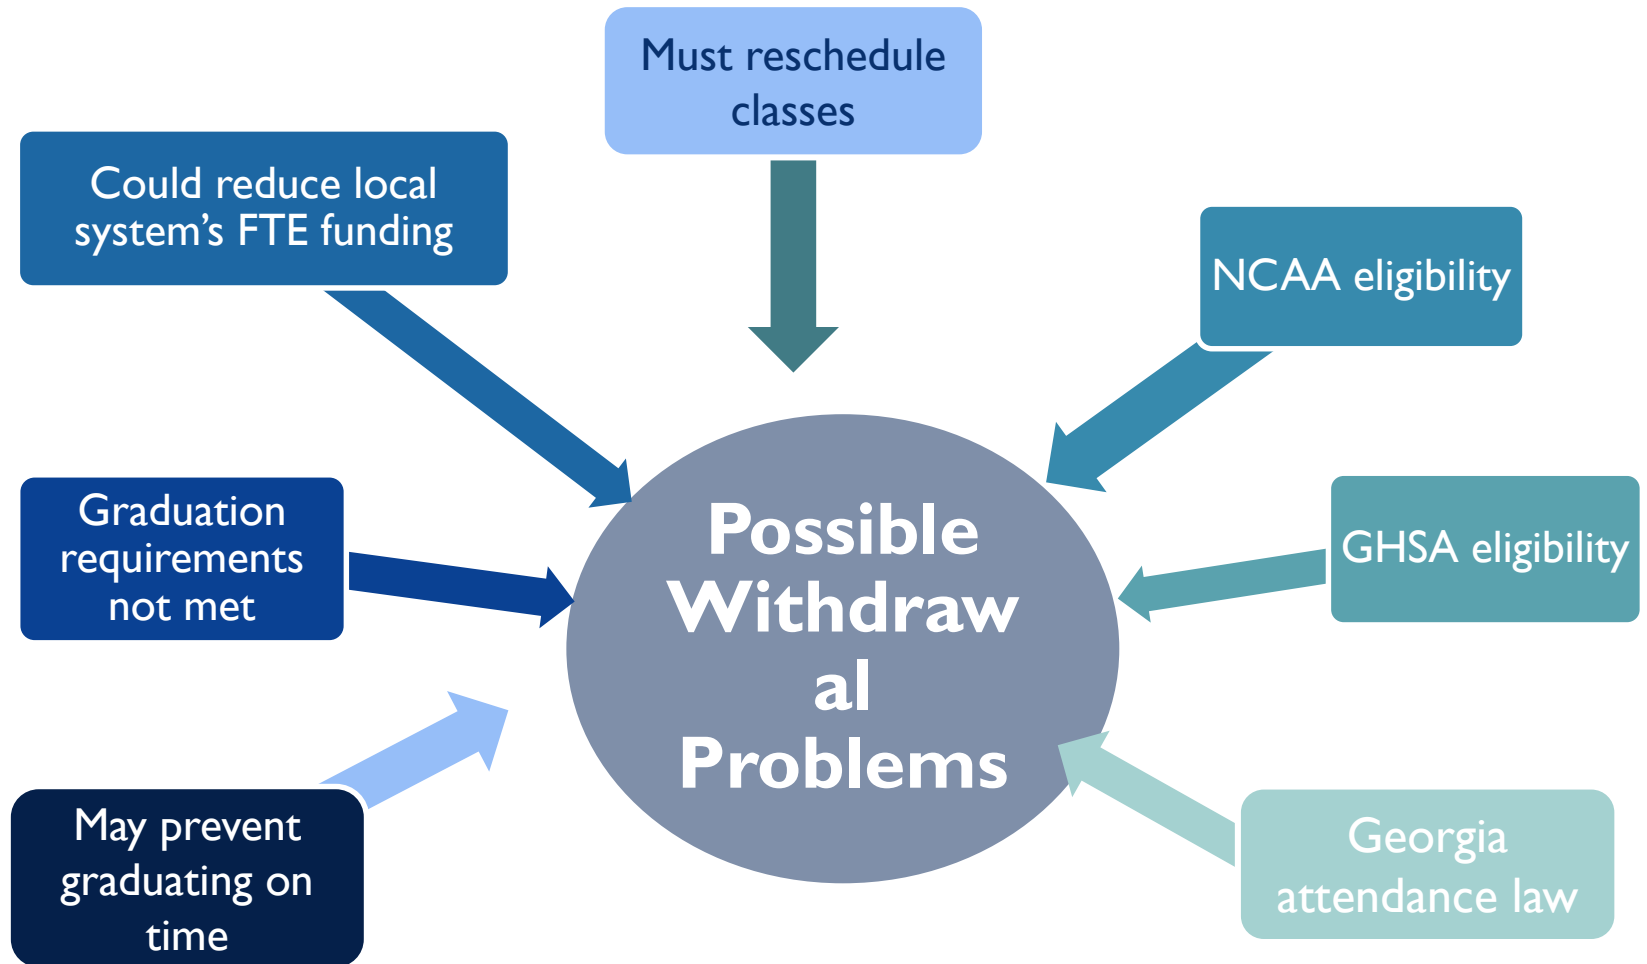

4 block = 4 classes

- College science course labs do not count in the above.

# Dual Enrollment Course Withdrawals

- The eligible DE student should contact the high school counselor for approval before **any** course is dropped or any schedule change is made during the semester or quarter.
- Should a participating DE student choose to withdraw from a college course, the high school will make its best attempt to place that student in a corresponding high school course or online credit opportunity to meet course completion and graduation requirements.
- If no corresponding course or credit recovery opportunity is possible, the **local school system** shall determine how the course will be recorded as a withdrawal or incomplete on the student's transcript. The "Z" grade can be used.
- The high school must record all DE courses and grades on the high school transcript.

# Dual Enrollment Course Withdrawals

# “Z” Grade

A grade of “Z” can be given when no final grade is expected, as in the case when a DE student withdraws from the college course and receives a “W” at the college.

Districts are to report all courses, including all DE courses completed or not, in the end-of-year Student Class file.

The “Z” grade allows for the documentation of the dropped DE class without penalizing the student with a failing grade.

# Questions Concerning Repeating Courses

- Can students take DE courses that are matched with high school courses students have already passed at the high school? *Yes, as long as you use the course # with a letter embedded.*
- Can DE students retake DE courses the student has already taken and passed to try and earn a better grade? *Local school decision. A course can only count once for a graduation requirement.*
- Can students retake DE courses they have failed? *A local school decision.*

# Participating Colleges & Universities

## EARN COLLEGE CREDIT WHILE STILL IN HIGH SCHOOL

Georgia's Dual Enrollment Program allows qualified high school students to maximize their education and career training by taking courses that earn college and high school credit at the same time.

Under Dual Enrollment, students may take academic core courses that can transfer to TCSG colleges or USG colleges and universities. Students may also take occupational and career courses that can help jump start a career.

Students who are in the 9th, 10th, 11th, or 12th grades, attend a participating Georgia high school or an approved home study program may qualify to take college level courses under the Dual Enrollment Program.

### MAKE THE MOST OF YOUR TIME

- Smaller class sizes
- Summer, fall and spring terms
- Courses may be available at the TCSG college campus, high school campus, or online

### COLLEGE SAVINGS, NO TUITION COSTS

- Free tuition with textbooks provided by the college
- Experience the dynamics of a college classroom
- Be better prepared for your future

# DUAL ENROLLMENT

@ TECHNICAL COLLEGE SYSTEM OF GEORGIA

Double the credit.  
Half the time.  
Zero the tuition.

ENROLLING IN MOWR IS AS EASY AS 1, 2, 3!

## 1 - Pre-Planning

You and your parent/guardian speak with your high school counselor about the MOWR program or other dual enrollment options. During this meeting, everyone will sign the [Student Participation Agreement form](#).

## 2 - Admissions

- Complete the admissions application for the TCSG college you wish to attend. **There is no fee to apply.**
- Submit SAT or ACT test scores – OR – complete the Accuplacer Assessment through the college. See [Resources](#) for more Accuplacer information.
- Complete the [MOWR Financial Aid Application](#).

**PART I:** Students and parents complete this section. Students attending a public or private high school should log in to [GAFutures.org](#) and complete the [MOWR Funding Application](#) online. [Here is a step-by-step guide to completing the funding application](#). Students attending a home study program must complete the [MOWR Paper Application](#) and send it to office listed on the application.

**PART II:** High school counselors or home study instructors complete this section.

**PART III:** TCSG Colleges complete this section.

## 3 - Advisement

Speak with a high school coordinator at a TCSG college to:

- Discuss course options
- Get registered for class
- Obtain information on getting books for your courses

Want to find out more about Move On When Ready?

# University System of Georgia

## Dual Enrollment Admission Requirements

The University System of Georgia (USG) offers many opportunities for high school students to enrich their high school experience and to get a jump start on college. This document provides the dual enrollment admission requirements for each of the USG colleges and universities. All USG dual enrollment applicants must submit an official high school transcript showing they are on-track for completing their high school graduation requirements and the USG's Required High School Curriculum as outlined on the [Staying on Course](#) document, a completed Student Participation Agreement, and official SAT or ACT scores (if required by the college or university). Students planning to take courses on the college or university campus must satisfy the immunization requirement.

Only courses listed on the [Dual Enrollment Course Directory](#) for the college or university the student attends are funded through Georgia's Dual Enrollment program. Students may be responsible for some costs associated with participating in Dual Enrollment, such as course or lab fees/supplies, fees charged for late or damaged textbooks, parking fees, and fees associated with participating in optional activities.

			Minimum		
			Test Scores	HSGPA <sup>1</sup>	Age/Grade Level
<b>ABRAHAM BALDWIN AGRICULTURAL COLLEGE</b>	<b>New SAT</b> <i>(SAT taken March 2016 or later)</i>	Reading test	26	3.0	Successful completion of the 9 <sup>th</sup> grade is required.
		Math test	25.5		
		Total	*		
	<b>Old SAT</b> <i>(SAT taken prior to March 2016)</i>	Critical Reading section	430		
		Math section	400		
		Total (CR + Math)	970		
	<b>ACT</b>	English test	20		
		Math test	20		
		Composite	20		
<b>LEARN MORE:</b>	Visit the <a href="#">Abraham Baldwin Agricultural College Dual Enrollment page</a> .				
<b>NOTES:</b>	*New SAT Reading test and Math test scores are converted to the Old SAT equivalent Critical Reading and Math section scores and then combined. That score must total a minimum of 970.				

# Dual Enrollment Funding Application

The 2018-2019 Dual Enrollment funding application for the Summer and Fall 2018 terms is now available; the online and PDF versions can be found at [GAfutures.org](http://GAfutures.org) under “Shortcuts.”

The screenshot shows the GAfutures.org website homepage. At the top left is the GAfutures logo with the tagline "Explore. Plan. Succeed." To the right are buttons for "Create an Account", "Sign In", and "Help ?". A search bar with "Google Custom Search" and a magnifying glass icon is also present. Below the header is a navigation menu with icons and labels for: Home, HOPE & State Aid Programs, Federal Aid & Scholarships, College Planning, Career Exploration, Resources, About Us, and My GAfutures.

The main content area features a large banner on the left with the text "Get Ahead With DUAL ENROLLMENT" and a yellow arrow graphic. Below the banner is a section titled "Earn College Credits in High School" with a "Learn more" button. To the right of the banner are three informational tiles:

- It's Financial Aid Awareness Month**: From high school to college and beyond, ...
- Earn College Credits in High School**: When it comes to college, more time mean...
- Learn Skills for a High-Demand Career**: The HOPE Career Grant offers FREE tuition...

At the bottom of the page are two sections: "AWARD RECIPIENTS: THEIR STORIES" and "NEWS YOU CAN USE".

# Approved Postsecondary Courses

- The Dual Enrollment Course Directory on GAfutures is the official list of approved course alignments.
- 27,000+ approved alignments are currently in the Directory.
- A postsecondary course must be aligned to a high school course to appear in the Directory.
- Postsecondary institutions must initiate alignment requests.
- High schools should contact their local college or university if an additional alignment is needed.
- GADOE reviews all new alignment requests. The complete review process can take several weeks (or longer).
- Newly approved course alignments are added weekly.
- Students should be strongly cautioned against enrolling in any course that does not appear in the Directory unless they are willing to pay for the course and do not need high school credit.

# Dual Enrollment Course Directory

[https://apps.gsfc.org/securenextgen/dsp\\_accel\\_course\\_listings.cfm](https://apps.gsfc.org/securenextgen/dsp_accel_course_listings.cfm)

The screenshot shows the GAfutures website interface. At the top left is the GAfutures logo with the tagline "Explore. Plan. Succeed." To the right are buttons for "Create an Account", "Sign In", and "Help", along with a "Google Custom Search" box. Below this is a navigation menu with icons and labels for "HOPE & State Aid Programs", "Federal Aid & Scholarships", "College Planning", "Career Exploration", "Resources", "About Us", and "My GAfutures". A secondary menu includes "State Aid Applications", "HOPE & Zell Miller Scholarships", "HOPE & Zell Miller Grants", "Loans", "Scholarships & Grants", "Military", "Scholarship Search", and "Award Recipients". A large blue banner reads "Dual Enrollment Course Directory". Below the banner is a breadcrumb trail: "GAfutures.org / HOPE & State Aid Programs / Scholarships and Grants / Dual Enrollment / Course Directory". The main content area is titled "SCHOLARSHIPS AND GRANTS" and features a sub-menu with "Dual Enrollment" selected, along with "Georgia HERO", "Georgia Tuition Equalization Grant", "Public Safety Memorial Grant", "REACH Georgia", and "UNG ROTC Grant". A "Print" button is visible. On the left is a table of contents with links to "Eligibility", "Award Amounts", "Participating Colleges and Universities", "Course Directory", "Application Procedure and Deadline", "Frequently Asked Questions", "Participation Agreement", and "Transportation Grant". The main content area displays the title "Dual Enrollment Course Directory", a paragraph explaining that dual credit enrollment hours are not counted as attempted-hours or included in the combined paid-hours limit, and a note to check for updates to the directory.

# Tips for Selecting Courses

- The prerequisites listed in the Directory should be consulted.
- GATRACS (available on GAfutures) helps students identify courses that will transfer in Georgia.
- Students planning to attend a USG institution following high school graduation should consult the USG's [Staying on Course](#) document to ensure the USG's Required High School Curriculum (RHSC) is completed.
- Students starting at a TCSG institution with plans to transfer to a USG institution should consult the [TCSG-USG General Education Transfer Chart](#).
- Only USG students participating in dual enrollment full-time are eligible to take a PE course and have it funded through the program.

# SACSCOC Policy – Effective June, 2018

- Defined Dual Enrollment
- All Faculty teaching Dual Enrollment courses must meet the SACSCOC qualifications
- Colleges must ensure course and program oversight
- Institutions may not offer courses which combine **students enrolled in the college course** with students who are only receiving high school credit
- Colleges ensure that Dual Enrollment students receive the same services as traditional college students to include advisement, library and resource access, and student support services
- Dual Enrollment courses are taught in adequate physical facilities

# Join the Dual Enrollment listserv

A Dual Enrollment listserv is now available for dual enrollment individuals responsible for providing services to students.

To join the listserv and receive email notices and updates, please send an email with no message to the email address listed below.

[join-dual-enrollment@list.doe.k12.ga.us](mailto:join-dual-enrollment@list.doe.k12.ga.us)

Periodic messages will be sent to this list with updates, details, and related documents.
