#CTAEDelivers Middle Grades CTAE

First

Georgia has designed middle grades CTAE to:

- Be equitable and inclusive of each student
- Be anchored in careers
- Be standards based
- Be grounded in experiential and hands-on learning
- Balance breadth and depth across the curriculum
- Be integrated into the broader K-12 career development system
- Focus on student growth
- Involve dedicated instructional time
- Include intentional and meaningful employer engagement
- Be communicated effectively to students and their families

Second

These principles are applied through these core programmatic elements of middle grades CTAE:

- Standards, Connectivity, Career, and assessment
- Experiential learning and scheduling
- Teachers and leaders measurement
- Data and

In Turn

Middle grades CTAE students will:

- Gain awareness of and exposure to a wide array of careers
- Increase self-awareness and begin to form their potential occupational identity
- Develop employability skills
- Develop foundational technical skills as appropriate
- Be positioned to make more informed educational choices
- Transition to high school with an actionable plan for next steps

#CTAEDELIVERS POST-COVID RECOVERY

-A Plan for Resilience

A GREAT OPPORTUNITY, DESPITE ECONOMIC OUTLOOK, IS WITH CTAE WHO CULTIVATES A TALENT PIPELINE DEVELOPED WITH INPUT FROM BUSINESS AND INDUSTRY.

#CTAEDELIVERS

CTAE DELIVERS REAL OPTIONS FOR COLLEGE AND REWARDING CAREERS

Through CTAE, students can start their path's board & career that they are interested in, about, with valuable experience, or help credits and more.

CTAE DELIVERS REAL-WORLD SKILLS

- CTAE is a unique opportunity for hands-on learning – building students' self-efficacy in the sector.
- CTAE provides the skills and confidence students need to pursue career options, discover their passion and get on a path to success.
- Students in CTAE programs and their parents can choose those who are already in need, they are "pre-scaffolded" to be on and their children will be more prepared to succeed in their career, education, college or to parents and students not involved in CTAE.

CTAE DELIVERS A REAL HIGH SCHOOL EXPERIENCE WITH MORE VALUE

- CTAE programs are a part of high school – all adults who participate in CTAE are in the same activities they enjoy, which supports the arts or creative option that leads to 19%
- CTAE allows students even further during their high school experience – a road to success like in specialized classes, internships, and recording with members of their community.

18/20 OF THE FASTEST GROWING SECTORS WITH THE MOST EDUCATIONAL & TECHNICAL SKILL GAP
JUST 2% OF ALL STUDENTS SAY THEY DON'T FIND A JOB OR COLLEGE AFTER HIGH SCHOOL

Make it a priority to teach students skills that make them employable. How can you help change on this in your school?

CTAE Acronyms

[CDEs – Career Development Events](#)

FFA Career Development Events (CDEs) are contests that members compete in to test their skills learned through agricultural education instructions

[CTSO – Career Technical Student Organization](#)

CTSOs are co-curricular organizations with leadership programs and competitive events which reflect current curriculum standards and competencies for the instructional programs they serve. Co-curricular means curriculum-based competitive events which reinforce standards, instructional time within the classroom, integrated with curriculum, incorporated into lesson plans, leadership development through real world application, as well as trips centered around career path and career exploration. The current list of approved CTSOs is: CTI, DECA, FBLA, FCCLA, FFA, First Robotics, HOSA, Skills USA, and TSA.

[EOPA – End of Pathway Assessments](#)

Georgia implemented a measurement mechanism that would ascertain the technical skill attainment level of students participating in career and technical education courses. These mechanisms are valid and reliable technical assessments aligned with industry-validated standards.

[Industry Certification](#)

When a CTAE program becomes industry certified, the program receives a "stamp of excellence," which represents the apex of program quality. Only those programs which successfully undergo rigorous reviews by leaders from business and industry are recognized with this distinction.

[WBL – Work Based Learning](#)

YAP – Youth Apprenticeship

Top Gun

Twenty teachers/WBL coordinators are invited to attend the Top Gun training, representing all regions of the state. Participants learn to use marketing and public relations toolkits to more effectively market and brand their program and increase connections with the business and industry sector. Other topics included increasing employability skills in high school students, matching education to economic development needs, and improving the quality of student placements and mentoring.
