

## **Attachment 6: Next Steps Planning Template**

**District Name:** \_\_\_\_\_

**The purpose** for completing Attachment 6 is to develop an action plan that the district will use to help address issues related to disproportionality. This attachment is optional.

**Directions:** What are the pertinent next steps the district will take to address disproportionality in your schools, including any revisions to policies, procedures and practices that may be necessary as a result of the Self-Assessment? For each action step, indicate the required resources, timelines and persons responsible.
