## PowerPoint Viewer

Tuesday, March 31, 2020 8:33 AM

For families who do not have access to Microsoft PowerPoint, there is a way to open and view PowerPoint files (.pptx) through the website link below.

Teachers, please share this website with families who do not have Microsoft PowerPoint so their learners may access the PowerPoint materials during telelearning instruction and activities.

Teacher

Gwenn Gee

Gwinnett County Public Schools

- Uses **FREE** online newsletter format, **Smore.com** to share daily lessons
- Even prior to Distance Learning requirements, used weekly as classroom newsletter format
- Adds links to Google Docs for interactive lessons: surveys, parental input, and much more!
- Provided inspiration for “Telelearning Morning Routine” materials

# PLEASE SHARE!

---

If you have materials/lessons you have created that have worked well for your Distance Learning activities, please **feel free to send them**.

Once vetted, they may be posted onto the SLDS/TRL/SCD/Teleteaching Resources section!

Be sure to include your **name and school system** to receive proper credit.

Thank you for all you are doing to provide instruction to our students with the most significant needs during this unique time in our state's history.

Looking forward to seeing you face to face again in the near future!
