August 12, 2014 8:30 am – 12:00 pm

Discussion with OSEP staff and Special Education Leadership Team

- Theory of Action: what evidence-based practices will be used to improve results for students
- Evaluation: How will efforts to implement, scale-up and sustain be measured and when using the timeline of implementation for all three phases of the Indicator 17 SSIP
- Technical Assistance and Support – what are the resources needed (for the state and for the identified districts and schools)
- Reflections from State and the U.S. Department of Education
- Wrap up and Evaluation
