Creating a WIDA Secure eLearning Account 2021-2022

English Learner Language Programs

GaDOE — Georgia Department of Education

1. ESOL Coordinator creates a list of all educators wanting to participate in WIDA self-paced eWorkshops. List contains: Educators' first and last name, school name, role, and work email address.

2. ESOL Coordinator provides list to the STC.

or

The System Testing Coordinator (STC) contacts WIDA Client Services to create secure accounts

STC sends spreadsheet to WIDA Client Service: Help@wida.us

The System Testing Coordinator (STC) creates the WIDA eLearning accounts for the educators using the list provided by the ESOL Coordinator.

WIDA

Only WIDA Secure Portal accounts have access to the WIDA eLearning Center
