Keisha Barnett

Administrative Assistant Phone: 678-378-1893 kebarnett@doe.k12.ga.us

Grant Implementation Overview

The Georgia Department of Education (GaDOE) sets policy, develops guidance, and provides training and technical assistance for Georgia LEAs. Two Title IV, Part A Program Specialists provide technical assistance by assigned region, currently organized mostly by dividing the state in half. Training is coordinated at a state level and delivered through (a) an annual federal programs conference, (b) collaborative federal program regional sessions and webinars, and (c) Title IV, Part A only regional webinars. The GaDOE publishes an annual LEA Title IV, Part A Handbook and maintains a public website.

During the 2019-2020 school year, Georgia's governor issued an executive order to close schools on March 16, 2020 because of the global pandemic, COVID-19. LEAs continued

During the 2019-2020 school year, Georgia's governor issued an executive order to close schools on March 16, 2020 due to a global pandemic.

providing instruction to students through distance learning for the remainder of the school year. The GaDOE continued to provide technical assistance for LEAs during the school closures through FAQs, updates, webinars, and online professional development courses included guidance on COVID-19 responses, CARES Act funding, distance learning strategies and FY21 ESSA funds.

Generally, CFM dates may include onsite or desktop, however, in FY20 monitoring dates were adjusted to include only desktop after the governor issued an executive order to close schools due to the global pandemic. Following the school closures, monitoring dates were suspended until the Fall of 2020, however, eight LEAs opted to continue with desk monitoring as scheduled.

The Federal grant (15-month grant cycle) is cyclical in nature, beginning in July and ending September of the following year. In Georgia, LEAs begin by completing an internal Comprehensive Needs Assessment and consolidated federal grant application called the Consolidated LEA Improvement Plan (CLIP) (ConApp). The application maintained in the Georgia Longitudinal Data System (LDS) and is supported by regional Continuous Improvement Teams (CITs). Once approved, LEAs submit a budget based on their formula-based allocation (ConApp). Then LEAs administer the grant, submitting budget adjustments/amendments, as needed.

Although LEAs can carryover 100% of allocated funds, it is expected that LEAs, in the best interests of teachers and students, draw down funds regularly through the year and expend all funds as budgeted. LEAs' work is supported by assigned specialists, however, LEAs requiring targeted support may be further assisted by Continuous Improvement Teams (CIT) comprised of staff across three GaDOE Divisions (Federal Programs, School and District Effectiveness, and Teaching and Learning).

LEAs are formally monitored for compliance through the GaDOE Cross-Functional Monitoring (CFM) every four years, and/or depending on annual risk assessment results more frequently. Generally, CFM dates may include onsite or desktop, however, in FY20 monitoring dates were adjusted to include only desktop after the governor issued an executive order to close schools due to the global pandemic. Immediately following the school closures,

Updated: June 28, 2021

monitoring dates were suspended until the Fall of 2020, however; eight LEAs opted to continue with desktop monitoring as scheduled. Of the 62 LEAs on the monitoring cycle for FY20, 29 of them were monitored in spring 2020. LEAs receiving findings as part of the cross-functional monitoring will complete corrective actions in order ensure they have internal controls and protocols that ensure compliance with federal law, federal regulations (EDGAR), and federal and state guidance. Based on the GaDOE 4-year cross-functional monitoring cycle, any LEA that does not participate in CFM completes an annual self-monitoring review.

Title IV, Part A Specialists provided timely technical assistance to LEAs as necessary to ensure LEA compliance with State and Federal laws and guidance. In addition to technical assistance sessions, Program Specialists provided professional learning opportunities via individual LEA trainings, regional trainings, and state conferences.

In Georgia, LEAs are required to have an external audit each year. Any audits from prior fiscal years that require program review are reported by the Georgia Department of Audits

to GaDOE and GaDOE program staff resolve these audits. These are resolved directly with the LEAs.

LEAs conclude the federal fiscal year with a completion report, finalized in the Grants Accounting Online Reporting System (GAORS).

2019-2020 State Education Agency (SEA) Allocation

SEA allocations are determined using a formula outlined in ESSA. The state formula is:

FY20 Allocation Information

The US Department of Education formula first requires State Education Agencies (SEAs) to reserve a portion of the grant to calculate the following set-asides:

- 5% maximum reservation of the total state allocation for State Activities. (ESEA 4104(a)(1))
- 4% reservation for State Activities at the SEA level. (ESEA Sec. 4104(a)(3))
- 1% maximum reservation of the total state allocation for State Administration. (ESEA Sec. 4104(a)(2))
- Not less than 95% of the total state allocation for LEA subgrants. (ESEA Sec. 4104 (a)(1))

Step 1:

- The remaining 95% in Title IVA funds is allocated to an LEA based on its proportion of Title I, Part A funding received for the prior fiscal year, except that no LEA may receive an allocation of less than \$10,000.
- For example, if an LEA's proportionate share of Title IA from the preceding fiscal year was 2.5% its IVA allocation for the current fiscal year would be 2.5% of the IVA grant award if that allocation funds it to the \$10,000 minimum.

Step 2:

- An SEA must adjust allocations for those LEAs whose initial formula allocation is below the \$10,000 minimum.
- Since no LEA may receive less than \$10,000, LEAs earning above \$10,000 contribute to those LEAs below the minimum to bring them up to \$10,000.

Step 3: Proportional Basis Upward/Downward Adjustments

- Upward adjustments are needed because the upward adjustment to the allocations for LEAs whose initial allocation is below \$10,000 reduces the amount of funds available to other LEAs.
- The adjustment must be proportionate to ensure that the allocations for these LEAs continue to be based on shares of Title I, Part A funds for the preceding fiscal year.

- To complete downward adjustments, the GaDOE determines the percentage by which the initial formula allocations must be reduced.
- First, determine the total amount by which the initial formula allocations for all other LEAs must be reduced, by determining the difference between the sum of the adjusted allocations for LEAs whose initial formula allocation is below \$10,000 and the sum of their initial allocations.
- Determine the percentage by which the initial formula allocations for these LEAs must be reduced, by dividing the amount above by the sum of these LEAs' initial formula allocations; and
- Reduce by the resulting percentage the initial formula allocation for each LEA.
- If an LEA received an initial allocation of \$10,000, then it will not receive a reduction.

Georgia Title IV, Part A Grant Administration Activities for 2019-2020

Title IV, Part A contributed 1% of the state's allocation to the Consolidated Administrative Fund totaling \$374,191.

Georgia Title IV, Part A State Activities for 2019-2020

Title IV, Part A set aside 4% of the state's allocation totaling \$1,534,946 for the following activities:

- Staff
 - IVA Education Program Specialist
 - STEM/STEAM Program Specialist
 - Fine Arts Program Specialist
- Competitive Grants
 - o E3- Entrepreneurship, Enterprise, and Education
 - o stART
 - Summer Literacy
- State identified needs to address capacity of rural LEAs
 - o College Readiness and Talent Development
 - Professional Development, Pre-AP
 - Gifted Endorsements
 - Virtual Training Workshops
 - Fine Arts
 - LEA Technical Assistance

| Total Local Education Agency Grantees | 210 |

| Traditional School District | 180 |
| State Schools (3) | 1 |
| Charter Schools (State Level) | 28 |
| Special LEAs Dept. of Juvenile Justice | 1 |

2019-2020 LEA Allocations

- In 2019-2020 allocations were approved by the State Board of Education (SBOE) and distributed in July 2019.
- 100% Carryover was distributed following the submission of FY19 completion reports and approval of an original FY20 budget.

Private School Equitable Participation

Under the Title IV, Part A program, nonprofit private school teachers, principals, and assistant principals within the district's geographic boundaries are eligible to participate to the extent that the LEA uses funds to provide for professional development for teachers and other school personnel.

Over the last three years there has been a steady increase in the number of private schools that have elected to participate in Title IV, Part A.

2019-2020 Budgeted Funds

Source: FY20 Cube Financial Review Budgeted Funds

Title IV, Part A requires LEAs receiving an allocation more than \$30,000 to budget and expend a minimum amount of funds in the three content areas of providing well-rounded educational opportunities for all students (WR), supporting safe and healthy students and schools (SH), and increasing the effective use of technology (ET). LEAs receiving less than \$30,000, may prioritize the distribution of funds in any of the three content areas.

Monitoring of Title IV, Part A

As the state passthrough entity, GaDOE is responsible for overseeing the successful implementation of Title IV, Part A in LEAs (including LEA provision of Equitable Services). According to the Uniform Grants Guidance (2 CFR 200.328), monitoring by the nonfederal entity must cover each program, function, or activity.

LEAs are monitored on a four-year cycle. Approximately one-fourth of the LEAs are monitored each year. As part of the annual review process in determining which LEAs are to be monitored, the Division of Federal Programs conducts a risk assessment using a combination of elements defined by GaDOE. An LEA's risk assessment rating is determined by using both its risk rating, based on a set of established High-Risk Elements developed by the Division of Federal Programs and a risk rating from GaDOE's Financial Review Division. For FY20, five LEAs were identified as high for title IV, Part A risk based on their FY19 actions.

During the summer of each year, the Division of Federal Programs completes a risk assessment to determine if an LEA falls into the high-risk category. The results of the risk assessment determine which LEAs may be added to the regular CFM cycle for that year.

The SEA has the responsibility to monitor high-risk LEAs (§ 200.331(b)(1-4)). The Division of Federal Programs defines high-risk as:

- LEAs showing evidence of serious or chronic compliance problems.
- LEAs with financial monitoring/audit findings; and/or LEAs with a high number of complaints from parents and other stakeholders about program implementation.
- Other elements that may cause an LEA to be determined high-risk include size of allocation and new federal programs for fiscal management personnel in the LEA.
- High-risk does not necessarily mean an LEA is not meeting the requirements of the program, federal regulations, or administrative procedures. It does mean that an LEA may be at a higher risk of having program elements that could cause it to not meet requirements associated with federal rules, regulations, and administrative procedures.

Title IV, Part A FY20 Monitoring Findings

24 Monitoring Visits Conducted January-May 2020 34 Monitoring Visits Conducted September-November 2020

GaDOE monitors on a 4-year cycle and adds LEAs who are High Risk according to the annual risk assessment. Due to a global pandemic, the FY20 monitoring cycle was interrupted because the Georgia Governor issued an executive order to close schools in March 2020. The most common areas for findings are in expenditures. GaDOE staff commonly find errors in internal controls and lack of supporting documentation that illustrate compliance with statute and applicable regulations.

| | Indicator | Met | Met with Recommendation | Did Not Meet |
|----------------------------------|---|-----|----------------------------|-----------------|
| 1 | Program Monitoring and Effectiveness | 23 | 10 | 8 |
| 2 | Consolidated LEA Improvement Plan | 36 | 1 | 4 |
| 3 | 3 Equitable Services | | 1 | 4 |
| 5.1 | Internal Controls | 17 | 13 | 17 |
| 5.2 | Inventory | 32 | 1 | 7 |
| 5.3 | Cash Management | 40 | 6 | 8 |
| 16.1 | Parental Notification | 6 | 0 | 0 |
| 16.2 | Licensing for Mental Health Services | 5 | 0 | 5 |
| 16.3 | Well-Rounded Education | 38 | 3 | 5 |
| 16.4 | Safe and Healthy Students | 33 | 8 | 5 |
| 16.5 Effective Use of Technology | | 41 | 3 | 3 |

| | Indicator | Met | Met with Recommendation | Did Not Meet |
|------|---|-----|-------------------------|-----------------|
| 16.6 | Infrastructure | 46 | 0 | 0 |
| 16.7 | Administrative Cost | 44 | 1 | 2 |
| 16.8 | Consultation with Stakeholders & Community Partners | 32 | 1 | 12 |
| 16.9 | Prioritization | 36 | 1 | 8 |

Monitoring Analysis

The FY20 Cross-Functional Monitoring results indicate a need for additional proactive technical assistance in the following areas:

| Overarching Indicators | Title IV, Part A Program Indicators |
|---|--|
| Indicator 1.0- Ensure internal procedures for progress monitoring and effectiveness measurements are annotated, aligned with statute, performed, and documented. | Indicator 16.8- Ensure understanding of effective and meaningful consultations regarding Title IV, Part A funded activities, clearly identify all stakeholders and/or community-based partnerships and improve documentation process/procedures. |
| Indicator 5.1- Ensure internal procedures are current and aligned with federal requirements. Ensure district staff implement actionable internal procedures as annotated. | Indicator 16.9- Ensure distribution of funds are annotated and aligned in CLIP and budget and prioritized based on established/identified needs. |
| Indicator 5.2- Ensure accurate inventory management (LEA/Equitable Services) | |
| Indicator 5.3- Ensure adequate draw; accurate/acceptable source documentation. | |
