Equity in Georgia and the Law

Richard Woods,
Georgia's School Superintendent
"Educating Georgia's Future"
ga DOE.org

- **Equity** is authorized in Title I, Part A and supported by Title II, Part A. In Georgia, Equity is addressed through the LEA Equity Action Plan submitted annually in the District Improvement Plan. Work to increase equitable opportunities for students is the responsibility of the entire district.
 - Title I, Part A
Each State Plan shall describe how low-income and minority children enrolled in schools assisted under this part are not served at disproportionate rates by ineffective, out-of-field, or inexperienced teachers, and the measures the State educational agency will use to evaluate and publicly report the progress of the State educational agency with respect to such description (ESSA 1111(g)(1)(B))
 - Title II, Part A
LEAs may develop and implement initiatives to assist in recruiting, hiring, and retaining effective teachers, particularly in low-income schools with high percentages of ineffective teachers and high percentages of students who do not meet the challenging State academic standards, to improve within-district equity in the distribution of teachers, consistent with section 1111(g)(1)(B), (ESSA 2103(b)(3)(b))

Four common themes captured in GA's Equity Plan:

1. Recruitment and teacher preparation;
2. Teacher and principal effectiveness;
3. Retention and professional growth; and
4. Factors that impact the learning and working environment.

Equitable Access to Effective Educators

Recognizing Flexibility

Richard Woods,
Georgia's School Superintendent
"Educating Georgia's Future"
gaDOE.org

Implementing PQ/ESSA In-Field may be easier in some LEAs than in others. GaDOE is here to help.

Ultimately, the GaDOE expects LEAs to use local autonomy granted under charter and strategic waiver law and SBOE rules to make the best decisions for their students, their staff and their community while taking into consideration related federal, state and local requirements and local capacity (LEA human and fiscal resources).

LEA Professional Qualifications Decision Guide
Under Every Student Succeeds Act (ESSA)**

Federal Requirements - ESSA

ESSA requires SEAs and LEAs to ensure that teachers meet state certification requirements. ESSA Sections 1111(g)(2)(i), 1112(c)(6)

Traditional LEAs	All LEAs	Charter & Strategic Waiver LEAs
Georgia law authorizes GaPSC to establish certification requirements. O.C.G.A. § 20-2-984	SPECIAL EDUCATION TEACHERS Special Education teachers must hold special education certification. SPECIAL EDUCATION TEACHERS ISSUING GRADES IN CONTENT AREA COURSES If the teacher issues grades, the teacher must hold certification or the equivalent in the corresponding content area and grade level bands. GaDOE Board Rule	Georgia law allows charter and strategic waiver systems to waive some provisions of Title 20, including certification; however, LEAs may not waive certification for Special Education teachers. ALL teachers MUST have a clearance certificate. O.C.G.A. § 20-2-211.1 § 20-2-2085
LEAs must follow GaPSC certification requirements. State Board of Education rules and program-specific delivery model requirements. O.C.G.A. § 20-2-984	Georgia LEAs who waive certification must establish professional qualification requirements for teachers because they must notify parents if teachers do not meet professional qualifications.	When establishing professional qualifications, the LEA must determine for which teachers certification will be waived. The LEA must specify content / service areas and grade level bands.
Professional Qualification v. In-Field Federal law requires states and LEAs to ensure ALL teachers meet state certification requirements. In Georgia, state law allows LEAs to waive certification. Accordingly, LEAs must establish the professional qualification requirements for ALL LEA teachers. This is monitored for compliance. In addition, federal law requires states to publicly report the number of teachers who are not teaching in the subject or field for which the teacher is certified. GaDOE will use GaPSC in-field rules to determine in-field qualifications. For LEAs that waive content area certification, teachers may demonstrate equivalent in-field qualifications by degree, coursework or content area test as reported in Fall CPI Cycle 1.	Paraprofessionals must hold state certification or the equivalent.

**Georgia's Systems of Continuous Improvement
Professional Qualifications Quick Guide under
Every Student Succeeds Act (ESSA)**

Is it true "highly qualified" is gone?
Highly Qualified is no longer required by or reported to United States Dept. of Ed. (USDE).

What does ESSA say about qualifications?

- ESSA says that states must implement **QUALIFIED** LEA and **TEACHER** systems (LEAs) must ensure teachers meet appropriate **state** certification requirements (Sections 1111(g)(2)(i), 1112(c)(6)). In Georgia, under O.C.G.A. § 20-2-2085, state certification can be waived for most teachers, provided each LEA that waives certification must establish professional qualifications (PQ) for their teachers.
- ESSA says the LEA must report information on the qualifications of the teachers including out-of-field.

How can my LEA ensure that teachers meet PQ and In-Field?
Establish professional qualifications that take subject matter competency into consideration either by requiring certification or the GaDOE accepted equivalent.

OUT-OF-FIELD

- Special Education:** Teachers required to hold special education certification must hold certification in adapted or general special education curriculum that aligns to the courses being taught and the IEPs of the students being served. They may NOT waive certification in adapted or general special education curriculum.
- Content:** All special education teachers teaching grades are required to hold content area certification in the subject field and grade bands for which the teacher is assigned (K-5), (6-8), (9-12) in accordance with the cognitive level specified in the student's Individualized Education Plan (IEP).
- Charter and SWAS Waivers:** In Georgia, only teachers in LEAs that waive certification may verify content through equivalent degree, coursework or content test; this must be in compliance with the LEA certification waiver procedures outlined in the Comprehensive LEA Improvement Plan (CLIP).
- Emergency/ Provisional:** In accordance with Individuals with Disabilities Education Act (IDEA), NO special education teacher in Georgia may hold a GaPSC Non-Renewable Professional (N) or Waiver (W) certificate.

Professional Qualifications for Paraprofessionals
O.C.G.A. § 20-2-2085, SBCE 18-04-06, 18-04-05

The State of Georgia ensures that it has professional standards for all paraprofessionals working in any school, including qualifications that were in place on the day before the date of enactment of the Every Student Succeeds Act. In Georgia, a paraprofessional employed by a Georgia LEA, must meet one of the following requirements:

- Degree: Hold an associate's degree or higher in any subject from a Georgia Professional Standards Commission (GaPSC)-accepted accredited institution; or
- Coursework: Have completed two (2) years of college coursework (sixty [60] semester hours) at a GaPSC-accepted accredited institution; or
- Content Area Test: Have passed the GaPSC Paraprofessional Assessment. If eligibility is established through the assessment, the applicant must also hold a minimum of a high school diploma or GED equivalent.

Professional Qualifications

ESSA – Assurances

Sec. 1111(g)(2)(J), 1112(c)(6)

The state educational agency/ local education agency will ensure that all teachers and paraprofessionals working in a program supported with funds under this part meet applicable State certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification.

ESSA – Reporting

Sec. 1111(h)(1)(c)(ix)

Teachers who are not teaching in the subject or field for which the teacher is certified or licensed

In Georgia, “out-of-field” teachers are those who are not teaching in their field of certification. It **may** also apply to teachers who hold a GaPSC issued certificate “W”, “N”, or “SI”.

Why change the name from HiQ to PQ?

First, highly qualified is gone. Teachers do not have to meet federal requirements.

ESSA says SEAs and LEAs MUST ensure teachers meet state certification requirements. It also says that LEAs must notify parents when teachers do not meet professional qualification requirements. In Georgia we wanted to distinguish between NCLB and ESSA requirements. In addition, with increased flexibility in Georgia, not all teachers have to be certified. The term *professional qualifications* captures federal, state and local requirements.

DISTRICT IMPROVEMENT PLAN

PQ - Intent to Waive Certification

Does whether or not the district waives certification under Georgia law (see O.C.G.A. 20-2-2065 or State Board Rule - Waiver Waivers (160-3-1-20))

PQ - Waiver Recipients

If the district waives certification, specify whether or not, in the current fiscal year, certification is waived for all teachers (except Special Education). If certification is waived for a select group of teachers, please specify for which teachers the district waives certification. The description must address content fields and grade level bands (P-5, 4-8, 6-12, P-12). Please note that in Georgia certification requirements for Special Education teachers CANNOT be waived. All Special Education teachers are required to hold GoPSC special education certification that is in-field for the course in which the teacher is assigned. In addition, Teachers must hold the corresponding GoPSC certification.

PQ - Minimum Qualifications

In the event you have a need that requires the district to waive certification, the minimum requirements would include one of the two options below:

A. Teacher's degree or higher and/or experience in the subject field

B. *holding an out of field certificate for providing a field through O.A.C.E. interventions or other interventions such as intensive certification programs like OATAPP.

DISTRICT IMPROVEMENT PLAN

4.1 Does whether or not the district waives certification under Georgia law (see O.C.G.A. 20-2-2065 or State Board Rule - Waiver Waivers (160-3-1-20)).

4.2 If the district waives certification, specify whether or not, in the current fiscal year, certification is waived for all teachers (except Special Education, ESOL, Gifted). If certification is waived for a select group of teachers, please specify which teachers from the district waives certification. The description must address content fields and grade level bands (P-5, 4-8, 6-12, P-12). Please note that in Georgia certification requirements for Special Education, ESOL and Gifted teachers CANNOT be waived. All Special Education teachers are required to hold GoPSC special education certification that is in-field for the course in which the teacher is assigned. In addition, ESOL and Gifted Teachers must hold the corresponding GoPSC certification.

4.3 If the district waives certification, state the minimum professional qualifications required for employment of teachers for whom certification is waived (example: bachelor's degree, content assessment, coursework, field experience, etc.).

4. Required Questions

5. Professional Qualifications

- Part 1 - State "explicitly" whether or not in the current fiscal year the LEA uses its Charter or Strategic Waiver flexibility to waive certification. [O.C.G.A. 20-2-80, 20-2-2065, ESSA Sec. 1112(e)(1)(B)(ii)]

The Barrow County School System uses Charter Waiver flexibility to waive certification for all teachers with the exception of Special Education teachers. All teachers are required to hold a Clearance Certificate.
- Part 2 - If the LEA waives certification, specify whether or not, in the current fiscal year, certification is waived:
 - for all teachers (except Special Education), or
 - for a select group of teachers (please specify content fields and grade level bands, P-5, 4-8, 6-12, P-12). [Note that in Georgia certification requirements for Special Education CANNOT be waived. All Special Education teachers are required to hold GoPSC special education certification that is in-field for the course to which the teacher is assigned. All educators must hold a GoPSC issued Clearance Certificate.] [O.C.G.A. 20-2-211.1, SBOE 160-4-9-05, ESSA Sec. 1112(e)(1)(B)(ii)]

For all teachers (except Special Education)
- Part 3 - If the LEA waives certification, state the minimum qualifications required for employment of teachers for whom certification is waived (example: bachelor's degree, content assessment, coursework, field experience, etc.). If no requirements exist beyond a Clearance Certificate, please explicitly state so. [Sec. 1112(e)(1)(B)(ii)]

No requirements exist beyond a Clearance Certificate.

- In the CLIP (SLDS, Overlay, S-CLIP) - *New* Posted Online
- LEAs must answer three questions:
 - Does the LEA Waive Certification?
 - If Yes, For Which Teachers?
 - If Yes, What are the MINIMUM Qualifications?
- During monitoring GaDOE staff check to ensure that what was asserted in the DIP is consistent and accurate in practice.
- LEAs will assert PQ requirements annually. When responding, LEAs should review current practices & requirements to determine if revisions are needed.

LEAs might look at how LEA-established PQ requirements could impact...

- student achievement
- school or district climate
- the scheduling of LEA teachers
- the placement of student teachers
- a LEA's federal program monitoring results
- staffing decisions at the LEA's charter schools
- a LEA's internal and external recruitment pool
- a LEA's budget and/ or an educator's personal finance
- the length of time it takes to get a teacher fully certified
- a teacher's mobility (within a district and across districts)
- a teacher's placement on a salary schedule and retirement
- the civil rights of the students being served & related service models
- whether or not a LEA is required to disseminate ESSA 20 Day notifications

SAMPLE – 20 Day Parent Notification

**Guidance for Preparing Notification Required Under ESSA Sec. 1112:
20 Day Parent Notification**
(To be issued if a teacher has taught a student for four or more consecutive weeks and does not meet LEA professional qualifications)

In Georgia, in accordance with the Every Student Succeeds Act of 2015, all LEA schools/programs are required to provide timely notice to parents when students have been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements (including professional qualifications developed by the LEA in alignment with an approved charter or strategic waiver application) at the grade level and subject level in which the teacher has been assigned. ESSA Sec. 1112 (e)(1)(B)(ii) In Georgia, notification requirements apply to all teachers in all LEA schools/programs. Notifications must be made within 10 business days following the four consecutive weeks.

Requirements for Content of the 20 Day Parent Notification
In compliance with the requirements of the Every Students Succeeds Act, parents must be notified of a teacher's professional qualifications under the following circumstances:

- **Traditional LEAs:** When students have been assigned or taught for four or more consecutive weeks by a teacher who does not meet applicable GaPSC "in-field" State certification requirements at the grade level(s) and subject area(s) in which the teacher has been assigned.
- **Charter/ Strategic Waiver LEAs:** When students have been assigned consecutive weeks by a teacher who does not meet LEA professional alignment with approved Charter/SWSS application and CLIP) and/ or special education teachers at the grade level(s) and subject area assigned. (It is possible for a teacher to meet charter/ strategic waiver requirements and not meet GaPSC in-field requirements. In this circumstance.)
- **Clearance certificate requirements are not subject to 20 Day Notification**
- **20 Day Notifications are not required for paraprofessionals and substitutes:**
 - Paraprofessionals: ESSA does not include paraprofessionals. Notifications must be sent.
 - Substitutes: O.C.G.A. § 20-2-216/ GaPSC Rule 505-20-20 requires substitutes to ensure substitutes meet State certification requirements who most closely meet the requirements for teacher certification as substitute teachers.

In Georgia, notifications must occur within 10 business days following the four consecutive weeks.

- For verification purposes, notifications must contain
 - Day/Month/Year of notification
 - Name of the teacher who has not met professional qualification
 - Name of the LEA and/ or school/program
 - Statement that the teacher has not met State certification OR LEA professional qualification requirements for the grade level(s) and subject area assigned. Grade level and/ or subject area must be included.
- In Georgia, notification requirements apply to ALL teachers in all LEAs.
- Maintain records of notifications that meet the above requirements.

Dear Parent(s)/Legal Guardian(s):

In Georgia, in accordance with the Every Student Succeeds Act (ESSA) of 2015, all LEA schools are required to provide timely notice to parents when students have been assigned or taught for 4 or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements (including requirements aligned to approved charter and strategic waiver application) at the grade level(s) and subject area(s) in which the teacher has been assigned. ESSA Sec. 1112 (e)(1)(B)(ii)

We are notifying you that your child's **[insert grade -if applicable -and course]** teacher, **[insert Teacher's Name]**, does not meet State and/ or LEA professional qualifications. **[insert name of LEA or school]** is working with this teacher to ensure that the necessary steps are taken in order to meet these requirements.

[insert Teacher's Name] has **[insert Qualifications, such as the name of the degree the teacher earned and the college from which it was earned]** and has taught in a local school for more than **[insert written number -if relevant]** years.

My staff and I will closely monitor this class to ensure student achievement. However, if you have additional questions or concerns about your child's educational progress or teacher, you may contact me at **[insert Telephone Number]** or email me at **[insert Email Address]**.

Sincerely,

- FY18 was the first year that the ESSA In-Field portal was piloted. It uses data from CPI and Student Class from each official data collection cycle (fall, spring, summer). It also uses the GaPSC certification records and GACE test records.
- Data will be reported publicly in Fall of 2018; however, contextual explanation will be provided.
- The system will continue to be refined based on LEA feedback around individual scenarios.

The goal is to produce a system that requires minimal input from LEAs.

CAPS

CAPS (Certification/Curriculum Assignment Policies System) is a web-based, "In-Field Assignments" resource created by the Georgia Professional Standards Commission. This resource aligns courses from the Georgia state-approved curriculum with the Georgia certificate(s) which are in-field to teach that course. The system allows a user to find a course and its appropriate certificates using four different search criteria: by choosing a subject area, entering a course number, entering an exact title or partial title, and/or choosing a grade level.

Courses listed in CAPS are described in [Rule 160-4-2-.03 LIST OF STATE-FUNDED K-8 SUBJECTS AND 9-12 COURSES](#) (.pdf) (requires Adobe Reader).

Choose or enter search criteria and click the Search button. Click the Clear button to start over.
